CARTER 10

Ref. MEMO 14453

1. I am not forwarding reference because I am afraid that Washington would consider it completely inadequate. We did not realize that you would not have the references available at the time MEMO 14453 was sent you.

2. The background of MEMO 14453 is as follows:

- a. MEMO-1121) gives real name, date of birth, etc, on Subject in paragraph D(e).
- b. MEMO-1121 identifies Subject of the above paragraph D(e) as a member of the CACHTINA chain 14013.

3. Since the above memoranda were sent out after MEMO 10752, I think you can understand the concern that Subject is being used by two different chains. This is different from the type of general servicing of other chains by the CARTER numbers which you describe in reference.

4. As you know, last fall we had a bad backlog of unsorted and unhandled paper, therefore when we traced MEMO 10752 we unfortunately did not catch the earlier mention of Subject in the [] reports.

5. Please let us have another reply to HQ.-14453.
